

The Pauline Epistles, 2010, 304 pages, John Muddiman, John Barton, 0191614777, 9780191614774, Oxford University Press, 2010

The Oxford Bible Commentary is a Bible study and reference work for 21st century students and readers that can be read with any modern translation of the Bible. It offers verse-by-verse explanation of every book of the Bible by the world's leading biblical scholars. From its inception, OBC has been designed as a completely non-denominational commentary, carefully written and edited to provide the best scholarship in a readable style for readers from all different faith backgrounds. It uses the traditional historical-critical method to search for the original meaning of the texts, but also brings in new perspectives and insights - literary, sociological, and cultural - to bring out the expanding meanings of these ancient writings and stimulate new discussion and further enquiry. Newly issued in a series of part volumes, the OBC is now available in an affordable and portable format for the commentaries to the Pauline Epistles. Includes a general introduction to using the Commentary, in addition to an introduction to study of the New Testament, and to the Pauline Corpus in particular.
